### Ingenia announces outcome of Distribution Reinvestment Plan

Ingenia Communities Group (ASX: INA) advises that, as announced on 25 August 2015, the Group's Distribution Reinvestment Plan (DRP) was open for the June 2015 distribution.

Consistent with revised Plan Rules effective from 24 August 2015, the issue price of securities under the Plan, of 43 cents per security, is calculated as a 2% discount to the adjusted VWAP in the five business days up to and including 1 September 2015.

Based on the securityholder election notices received, the take-up under the Plan represents 30% participation by the Register and will result in the issue of 4.3 million new stapled securities. The securities issued under the Plan will be allotted on 16 September 2015.
