Active Lifestyle Estates Chain Valley Bay

In 2015, Ingenia commenced a transformation of this waterfront community, which is destined to be a haven for downsizers wanting to escape and relax by the water. Approval is in place for 48 new premium homes and an upgrade of the current community facilities to replace older style manufactured homes and tourism accommodation.

To date, three display homes have been established on site and a marketing campaign will commence with completion of the community centre in May.

New homes will range in price from mid \$200,000s to low \$400,000s.

Chain Valley Bay is expected to strongly contribute towards the Group's sales pipeline over the next two years.

PROUDLY OWNED BY INGENIA COMMUNITIES GROUP

Active Lifestyle Estates and Holidays Mudgee

Masterplans are now in place for Ingenia's two Mudgee communities to create separate permanent living and tourism precincts and Development Applications have been lodged to further these plans.

Tourism accommodation and facilities are already in place at these communities and performing well while plans are being progressed.

The two communities provide complementary price points with homes from \$199,000. Future sales are expected to be underpinned by improvements in product offer, improving local market conditions and the ability to continue to cross leverage tourism to support continued sales growth.
